

Neil Diamond, Dancing In The Street

Are you ready to let it happen to you tonight?

Oh yes,
Do it now
Here we go

Calling out 'round the world
Ready for a brand new beat
We're all here, the time is right,
Dancing in the street

They're out in Chicago, New York City
All we need is music,
Sweet music
There'll be music everywhere
There'll be swinging and swaying
Records playin'
Dancing in the street

It doesn't matter what you wear
Just as long as you are there
Come on, come on
Now every guy, grab a girl
Oh everywhere around the world
They're dancing in the street
Dancing
Dancing in the street
Dancing

Invitation across the nation
The chance for folks who want to meet
There'll be laughing, singing, music swinging
Dancing in the street
Philadelphia, PA
Baltimore and D.C. now

All we need is music,
Sweet music
There'll be music everywhere
There'll be swinging and swaying
Records playin'
Dancing in the street

Alright girls, do it to me
Here we go
Oh, yeah
You got it
Huh!
Do it to me now
And ...

All we need is music, HA
Sweet music
There'll be music everywhere
There'll be swinging and swaying
Records playin', HA
Dancing in the street

It doesn't matter what you wear
Just as long as you are there , Gang
Come on every guy grab a girl
Everywhere around the world
They be dancing in the street
Dancing
Dancing in the street

Dancing
Dancing in the street
Dancing
Dancing in the street
Dancing
Dancing in the street
Dancing
Oh that'll do it, Oh yes
