

Neil Diamond, Golden Slumbers / Carry That Weight

Once there was a way
To get back home again
Once there was a way
To get back home
Sleep pretty darlin' do not cry
And I will sing a lullaby

Golden slumbers fill your eyes
Smiles to greet you when you rise
Sleep pretty darlin' do not cry
And I will sing a lullaby

You never gave me your pillow
You only gave me your invitation
And in the middle of the celebration
I pray now

Hey boy, you got to carry that weight
Carry that weight a long time
Boy, you got to carry that weight
Carry that weight a long time
Boy, you got to carry that weight
Carry that weight a long time

And in the end,
The love we take
Is equal to the love we make.....
