Neil Diamond, Golden Slumbers / Carry That Wei

Once there was a way
To get back home again
Once there was a way
To get back home
Sleep pretty darlin' do not cry
And I will sing a lullaby

Golden slumbers fill your eyes Smiles to greet you when you rise Sleep pretty darlin' do not cry And I will sing a lullaby

You never gave me your pillow You only gave me your invitation And in the middle of the celebration I pray now

Hey boy, you got to carry that weight Carry that weight a long time Boy, you got to carry that weight Carry that weight a long time Boy, you got to carry that weight Carry that weight a long time

And in the end, The love we take Is equal to the love we make.....
