

Neil Diamond, Hey Louise (Movie Version)

[From the movie "The Jazz Singer"]

Hey mon cherie, if I take you home
Will you make me plead?
My sweet amour,
If I come to close,
Will you close the door?

Oh my Louise,
Do you know my name?
I remember yours
And I know what you need
What you need my Louise

Hey my cherie
If I take you home
Will you make me plead?
My sweet amour
If I come to close
Will you close the door?

Oh my Louise
Do you know my name
I remember yours
And I know what you need
What you need my Louise
Do it gang, yes

Hey mon cherie
If I take you home
Will you make me plead?
Oh mon amour
If I come to close,
Will you close the door?

Oh my Louise
Do you know my name
I remember yours
And I know what you need
What you need my Louise

Oh my Louise
Do you know my name?
I remember yours
And I know that you need
What you need my Louise
Need, what you need my Louise
What you need my Louise
Yeah, yes.....
