

# Neil Diamond, Juliet

Juliet I've been waitin',  
For so long for you to come back  
How I, I've been needin' you, Juliet.

Wrapped up all in day dreams,  
But daydreams won't fill the night time.  
And I'm so glad I found Juliet.  
Nananananana.....

Turn your eyes on me, girl  
Wanderin' round inside a grown man  
No more than a small boy, sweet Juliet

'Bout to give up tryin'  
And there you stood  
Without your shoes on  
You've gone and loved me, sweet Juliet  
Nananananana...
