

# Neil Diamond, Medley: Yes I Will / Lady Magdalene

Yes I will  
Indeed I will  
If I may, If I might  
If I can  
Once upon a passing night dream  
He beheld a mystic image  
Bathed in blue reflection  
There he stood and made his song  
Closed his eyes to feel the thunder  
Echo like a wave around him  
Love was in this strange house  
And he knew he did belong,  
Yes he did belong  
Yes I will, 'Deed I will,  
If I may, If I might  
If I can.....  
Cold it was within the marrow  
Waiting like a wounded sparrow  
Helpless and forgotten  
While the radio played on  
Sing your song you fool, you dreamer  
Cross the space that lies between us  
Cast the stones of fortune  
For the journey has begun,  
Yes, it has begun  
So you do,  
So you want to be giving  
Say it out loud if you need to be holy  
So you do,  
So you want to be loving  
Say it out loud  
If you need to be holier still  
So you do,  
So you want to be giving  
Say it out loud if you need to be holy  
So you do,  
So you want to be loving  
Say it out now  
If you need to be holier still  
The man on the right is a man undone  
He'd give you his soul  
If you asked him for some  
A child in his way  
For he needs to believe  
That love is a song for each man to sing  
Lady Magdelene,  
I can hear your distant trumpet  
Calling from the morning mountain  
Singing to the passing river  
Take me home,  
Show me peaceful days  
Before my youth has gone  
Lady Magdelene,  
Make the sound of silent thunder  
Calling from the lips of Abraham  
Make a sound that we may wonder,  
Who we are  
Take us to your soul  
For we have wandered far  
Yes I will, 'Deed I will  
If I may, If I might  
If I can.....
