

# Neil Diamond, Santa, Santa

Dear Mr. Claus  
My name is Juan  
You are well liked  
Where I come from  
I know how busy you must be  
But Santa please remember me  
Santa, Santa

Remember the time of year  
December is almost here  
I live by Cathedral Square  
My brothers live also there  
They do not believe in you  
But please bring them something to  
Santa, Santa

Remember the time of year  
December is almost here  
It's getting late  
And I must go  
But I would like for you to know  
I know you're real  
And I believe that you'll be here  
On Christmas Eve  
Santa, Santa

Remember the time of year  
December is almost here  
Santa, Santa  
Christmas is almost here  
Santa, Santa

Remember the time of year  
I'll leave a light  
We have no fireplace  
Santa
