

# Neil Diamond, Someone Who Believes In You

Believe me,  
I'm someone who believes in you  
Say you really had a million dollars  
And a car for ev'ry day of the week  
So what? You know what?  
It wouldn't mean not a single thing  
Without that someone who believes it too  
Yeah, you gotta have someone  
Who believes in you

Say you really had a Hollywood contract  
And your face upon a big billboard  
Big car, big star  
You'd move a lot  
But you wouldn't get far without  
That someone who believes it too  
You better have someone  
Who believes in you

You are the truest part of me  
That quiet place  
Where I can be strong  
You come to fill my deepest need  
You call my name and I hear your song

Believe me,  
There's someone who believes in you

So you really got the hots for stardom  
All you need is some big guitar  
To take you and make you  
Into an overnight star  
And then you'll find  
That stars get lonesome too  
And you better have someone  
Who believes in you

You are the truest part of me  
That tender place  
Where I can be strong  
You come to fill my deepest need  
You speak my name  
And I hear your song

So you really want a job in the circus  
Paint your face and make the people smile  
Hey clown, come on down  
You've been too long walkin' that high wire  
When you're falling, you'll be calling too  
Calling out to someone  
Who believes in you  
Someone  
Who's there when nobody needs you  
Callin' out to someone  
Who believes in you
