

Neil Diamond, Story Of My Life

The story of my life
is very plain to read.
It starts the day you came
and ends the day you leave.
The story of my life
begins and ends with you.
The names are still the same,
and the story's still the truth.

I was alone.
You found me waiting and made me your own.
I was afraid
that somehow I never could be
the man that you wanted of me.

You're the story of my life,
and ev'ry word is true.
Each chapter sings your name;
each page begins with you.
It's the story of our times
and never letting go.
And if I die today,
I wanted you to know.

Stay with me here.
Share with me; care with me;
stay and be near.
when it began,
I'd lie awake ev'ry night,
just knowing somewhere deep inside
that our affair just might write
the story of my life,
So very plain to read.
It starts the day you came
and ends the day you leave.
