

# Neil Diamond, 'Til You've Tried Love

Did you ever want to know  
How it feels to be in love  
To be really in love-ove  
Did you ever want to feel the caress  
And say baby you were sent from above-ove

Well I'm a-telling you  
It's not so hard to do  
And it'll carry you through  
Listen to what I say  
You've got to

Give a little lovin'  
'Cause I know what I'm talkin'  
Try a little kissin'  
You don't know what you're missin'  
Till my friend, my friend you've tried love

If you decide to call it a day  
And find another love that suit you way-ay  
But before she remember  
You'll be burned in December  
If you don't listen to what I say

Well I'm a-telling you  
It's not so hard to do  
And it'll carry you through  
Listen to what I say  
You've got to

Give a little lovin'  
'Cause I know what I'm talkin'  
Try a little kissin'  
You don't know what you're missin'  
Till my friend, my friend you've tried love

Well I'm a-telling you  
It's not so hard to do  
And it'll carry you through  
Listen to what I say  
You've got to

Give a little lovin'  
'Cause I know what I'm talkin'  
Try a little kissin'  
You don't know what you're missin'  
Till my friend, my friend you've tried love

Till my friend, my friend you've tried love  
Till my friend, my friend you've tried love  
Till my friend, my friend you've tried love
