

# Neil Diamond, Up On The Roof

When this old world  
Starts a getting me down  
And people are just too much  
For me to face  
I'll climb way up to the top of the stairs  
And all my cares  
Just drift right into space

On the roof, it's peaceful as can be  
And there the world below  
Don't bother me,  
Let me tell you now  
When I come home  
Feeling tired and beat  
I'll go up  
Where the air is fresh and sweet  
I'll get far away  
From the hustling crowd  
And all that rat-race noise  
Down in the street

On the roof,  
That's the only place I know  
Where you just have to wish  
To make it so  
Let's go up on the roof  
Look at those stars darlin'

At night the stars  
They put on a show for free  
And, darling,  
You can share it all with me  
I keep on telling you  
That right smack dab  
In the middle of town  
I found a paradise that's trouble proof

And if this world  
Starts a getting you down  
There's room enough for two  
Up on the roof  
Way up on the roof
