

Neil Diamond, We Got Love

(Yes we got love
Yes we got love)
Take a boy like me and a girl like you
Nothing in this world that we can't do
'Cause we got love

Let them say the things
That they want to say
Long as I have you everything's OK
'Cause we got love
Yes we got love
Baby we got love

Why would they try to keep us apart
Can't they see
Tho' we are young
What we feel in our hearts
Will always be
Baby we got love

That's the way that we feel
And some day they'll find
That it's really real
'Cause we got love
Yes we got love
Yes we got love
