

Neil Hannon, So Long And Thanks For All The Fish

So long and thanks for all the fish
So sad that it should come to this
We tried to warn you all but no dish

You may not share our intellect
Which might explain your disrespect
For all the natural wonders that
grow around you

So long, so long and thanks
for all the fish

The world's about to be destroyed
There's no point getting all annoyed
Lie back and let the planet dissolve

Despite those nets of tuna fleets
We thought that most of you were sweet
Especially tiny tots and your
pregnant women

So long, so long, so long, so long, so long
So long, so long, so long, so long, so long

So long, so long and thanks
for all the fish

(yeah)

So long and thanks for all the fish
So sad that it should come to this
We tried to warn you all but no dish

(oh dear)

Despite those nets of tuna fleets
We thought that most of you were sweet
Especially tiny tots and your
pregnant women

So long, so long, so long, so long, so long
So long, so long, so long, so long, so long

So long, so long and thanks
for all the fish
