

Neil Nathan, Do Yatak

do ya do ya want my love
do ya do ya want my face
do ya do ya want my mind
do ya do ya want my love
in this life ive seen everything i can see woman
seen lovers flying through the air hand in hand
seen babies dancing in the midnight sun
seen old men crying at their own gravesides
but ive never seen nothing like you
do ya do ya want my love
well i heard the crowd singing out of tune
as they sat and sang auld lang syne by the moon
heard preachers banging on their drums
heard kids playing with their guns
but ive never heard nothing like you
do ya do ya want my love
do ya do ya want my face
do ya do ya want my mind
do ya do ya want my love
and in the country where the sky touches down on the field
you lay down to rest in the morning sun
i come running just to get a look, just to feel the touch of your long black hair, in the morning sun
do ya do ya want my love
do ya do ya want my face
do ya do ya want my mind
do ya do ya want my love
well i think you know what im trying to say woman
seen enough of the world to know
this crazy crazy thing we call loving
we gotta get it to grow
cuz i never felt nothing like you
do ya do ya want my love
do ya do ya want my face
do ya do ya want my mind
do ya do ya want my love
cuz i never felt nothing like you
