

# Neil Sedaka, Another Sleepless Night

Another sleepless night,  
I sit alone and cry,  
twilight time 'til dawn,  
memories linger on,  
since we said goodbye.  
Throughout that sleepless night,  
no matter what I do,  
you're always on my mind,  
and though you're gone I find,  
I'm still in love with you.  
Shadows fall, and I recall  
the love that you once had for me.  
Miss you so, when lights are low,  
I think of things that use to be.  
You're always in my heart,  
although you're out of sight,  
lonely teardrops burn  
as I toss and turn.  
Another sleepless night.
