

# Neil Sedaka, Love In The Shadows

Do do do, doobie bop bop bop, Oh do bop she don don  
Do do do, doobie bop bop bop, Oh do bop she don don  
Do do do, doobie bop bop bop, Oh do bop she don don  
Do do do, doobie bop bop bop, Oh do bop she don don  
I'm living right next door to an angel and I just found out today  
I'm living right next door to an angel and she only lives a house away  
She used to be such a skinny little girl  
But all of a sudden she is out of this world  
I'm livin right next door to an angel  
And I'm gonna make that angel mine  
Since I saw her this morning, I'm on cloud number nine  
Found a garden of eden at the house next door to mine  
I took a look and oh what a shock  
To find a little bit of heaven right on my block  
I'm livin right next door to an angel  
And I'm gonna make that angel mine  
I can't believe that this is the girl next door  
That funny little face isn't funny no more  
Sixteen and oh what a dream  
Ain't it strange how she changed  
Into such a lovely angel  
Saw her walking down main street and I couldn't believe my eyes  
It used to be such a plain street but now it's paradise  
I'm feelin happy I'm feelin so good  
I'm the luckiest devil in the neighborhood  
I'm livin right next door to an angel  
And I'm gonna make that angel mine  
REPEAT TO FADE: Do do do, doobie bop bop bop, Oh do bop she don don  
Do do do, doobie bop bop bop, Oh do bop she don don  
Do do do, doobie bop bop bop, Oh do bop she don don
