

Neil Sedaka, Our Last Song Together

Days of devils, kings and clowns
Angel songs and birthday tunes
Valentines and wishing wells
Magic stairways, moods, and Junes
Silly rhymes and monkeyshines
Pictures on a stage
Round and round the records go
Time to turn the page
This will be our last song together
Words will only make us cry
This will be our last song together
Theres no other way to say good-bye
Misty faces, far off places
Came and danced across the stage
Sha na nas and Doo be downs
The sounds that chased away the blues
Yesterday is yesterday
The past is dead and gone
Nostalgia just gets in the way
Lets stop hanging on
This will be our last song together
Words will only make us cry
This will be our last song together
Theres no other way to say good-bye
Now we go our separate ways
And the world we used to know
Scratchy worn out 45s
An echo on the radio
Tra la days are over now
Those days of you and me
Now we know that breaking up is
Really hard to do
This will be our last song together
Words will only make us cry
This will be our last song together
Theres no other way to say good-bye
Theres no other way to say good-bye...
