

Neil Sedaka, Should've Never Let You Go

Neil:

When you walk into a room
Your beauty steals my breath away

Dara:

When you look into my eyes
I find it hard to find the words to say

Neil:

Wanna run away and hide
I just got to let you know
Feel so tangled up inside
I should have never let you go
singers: (should have never let her go)

Dara:

Anyone can make mistakes
And we both have made our share

Neil & Dara:

But a life without your love
Is a life too hard to bear

Dara:

I don't care who's right or wrong
Only know I love you so

Neil:

Why did I have to write this song
I should have never let you go

Neil & Dara:

Why in all the wide, wide world
Have I run into you here
Wish I could disappear

Dara:

I'll never understand

Neil:

I'll never understand

Dara:

Why I even give a damn

Neil:

When you walk into a room
You know I stand on shaky ground

Neil & Dara:

I've built so many walls around me
Now the walls are tumbling down

Dara:

You're the kind I can't forget

Neil:

Let the tears begin to flow

Dara:

I have only one regret
I should have never let you.....go
Should have never let you go

Neil:

Should have never let you go

Dara:

Should have never let you go

Neil & Dara:

Should have never let you go
