

# Neil Sedaka, What Am I Gonna Do

WHAT AM I GONNA DO

What am I gonna do when the sun goes down  
and all the lights are low,  
what am I gonna do when I recall  
the love we used to know.

I remember the happiness we knew,  
darling can't we make up soon  
'cause I don't know what I'm gonna do.

What am I gonna do on wednesday night  
when I used to call you on the phone,  
what am I gonna say at the Record Hop  
when I show up alone.

There all ask me what's become of you,  
darling can't we make up soon  
'cause I don't know what I'm gonna do.  
At the movies or at the football game,  
please believe me, nothing's gonna be the same.

So what am I gonna do on saturday night  
whan everything goes wrong,  
how am I gonna feel when the radio  
plays our favourite song.

I'm so lonely just like Mr. Blue,  
darling can't we make up soon  
'cause I don't know what I'm gonna do.
