

Neil Young, A Man Needs A Maid

My life is changing
in so many ways
I don't know who
to trust anymore
There's a shadow running
thru my days
Like a beggar going
from door to door.

I was thinking that
maybe I'd get a maid
Find a place nearby
for her to stay.
Just someone
to keep my house clean,
Fix my meals and go away.

A maid. A man needs a maid.
A maid.

It's hard to make that change
When life and love
turns strange.
And old.

To give a love,
you gotta live a love.
To live a love,
you gotta be "part of";
When will I see you again?

A while ago somewhere
I don't know when
I was watching
a movie with a friend.
I fell in love with the actress.
She was playing a part
that I could understand.

A maid. A man needs a maid.
A maid.

When will I see you again?
