

# Neil Young, Believer

Im just a believer baby  
In those dreams of mine  
You see they just keep on comin  
In a long, long line

Oh yeah, Im the believer  
Oh yeah, Im the believer

And like that songbird singin  
Whether its red or blue  
Just like those church bells ringin  
Im keepin my faith in you

Oh yeah, Im the believer  
Oh yeah, I believe in you

And though the seas may rise  
Until they do  
I keep doin the things Im doin  
And believe in you  
Im makin the change  
Im keepin my faith in you

Oh yeah, Im the believer  
Oh yeah, oh yeah

Sure is a windy road  
That I walk with you  
Look how the trees are bendin  
Their leaves are fallin too

Oh yeah, oh yeah  
Im the believer, babe  
Oh yeah

I remember my mama saying  
I want to be  
On this windy road  
For eternity  
Im makin the change  
Im keepin my faith in you

Oh yeah, Im the believer, babe  
I believe in you  
Oh yeah, Im the believer, babe  
Im the believer  
Im the believer  
Oh yeah  
Oh yeah
