

# Neil Young & Crazy Horse, 12/8 Blues

Can you see me...cryin'?  
Can you hear me...dyin'?  
I wanna talk to you  
Listen too  
Do you know me like I know you?  
Do you know me like I love you?  
It's all the same

We'll be old friends...tryin'  
'Till the road ends...flyin'  
Listen to me sing to you  
I got the music  
I need the space  
I'd like to use it to get out of this place  
'Cause it's all the same

I got the miserables...help me  
Don't seem sensible...tell me  
I wanna talk to you  
Listen too  
Too many times I've swallowed my words  
Is it a crime  
To want to be heard?  
If it's all the same
