

Neil Young & Crazy Horse, Big Time

Gonna leave the pain behind
Gonna leave the fools in line
Gonna take the magic potion
Gettin' in an old black car
Gonna take a ride so far
To the land of sun tan lotion
Gonna take it state by state
Til I hit the golden gate
Get my feet wet in the ocean

I'm still living the dream we had,
For me it's not over
I'm still living the dream we had,
For me it's not over

Walkin on the bridge one day
Lookin out across the bay
I saw a rippling in the water
Once a big ship had passed
I borrowed a traveller's glass
And focused on the ocean's daughter
Kind of like a wave confused
Dancing in the sunset hues
She waved to me and called me over

I'm still living the dream we had,
For me it's not over
I'm still living the dream we had,
For me it's not over

Talkin' 'bout a friend of mine
Talkin' 'bout a gold mine
Richest vein in any mountain
Talkin' 'bout the enemy
Inside of me
Talkin' 'bout that youthful fountain
Talkin' 'bout you and me
Talkin' 'bout eternity
Talkin' 'bout the big time

I'm still living the dream we had,
For me it's not over
I'm still living the dream we had,
For me it's not over
