

# Neil Young & Crazy Horse, For What It's Worth

There's somethin' happenin' here  
A-what it is ain't exactly clear  
There's a man with a gun over there  
A-tellin' me I've got to beware

I think it's time we stop  
Children, what's that sound?  
Everybody look what's goin' down

There's battle lines bein' drawn  
A-nobody's right if everybody's wrong  
Young people speakin' their minds  
A-gettin' so much resistance from behind

It's time we stop  
Hey, what's that sound?  
Everybody look what's goin' down

What a field day for the heat  
A thousand people in the street  
Singin' songs and a-carryin' signs  
Mostly say hooray for our side

It's time we stop  
Hey, what's that sound?  
Everybody look what's goin' down

Paranoia strikes deep  
Into your life it will creep  
It starts when you're always afraid  
Step out of line, the man come and take you away

You better stop  
Hey, what's that sound?  
Everybody look what's goin' down

You better stop  
Hey, what's that sound?  
Everybody look what's goin' down

You better stop  
Now, what's that sound?  
Everybody look what's goin' down

You better stop  
Children, what's that sound?  
Everybody look what's goin'...
