Neil Young & Crazy Horse, Hold On To Your Love

Hold on to your love Hold on to your love Though you may feel tired and blue. The things you say, The things you dream you might do, Come true if you Hold on to your love.

How long the day? How dark the night spent apart? Is this the way to learn? Go your own way Although you may break a heart Don't let it start Hold on to your love.

Hold on to your love. Hold on to your love.

The things you say, The things you dream you might do, If only you hold on to your love. Hold on to your love.
