

Neil Young & Crazy Horse, Let's Roll

I know I said I love you
I know you know its true
I got to put the phone down
And do what we got to do
Ones standing in the aisle way
Two more at the door
We got to get inside there
Before they kill some more

Time is runnin out lets roll
Time is runnin out lets roll

No time for indecision we got to make a move
I hope that we're forgiven for what we got to do
How this all got started Ill never understand
Hope someone can fly this thing and get us back to land

Time is runnin out lets roll
Time is runnin out lets roll

No one has the answer but one thing is true
You got to turn on evil when its coming after you
You gotta face it down and when it tries to hide
We gotta go in after it and never be denied

Time is runnin out lets roll

Lets roll for freedom
Lets roll for love
Going after Satan on the wings of a dove
Lets roll for justice
Lets roll for truth
Lets not let our children grow up fearful in their youth

Time is runnin out lets roll
Time is runnin out lets roll
Time is runnin out lets roll
