Neil Young & Crazy Horse, Living With War

I'm living with war everyday I'm living with war in my heart everyday I'm living with war right now

And when the dawn breaks I see my fellow man And on the flat-screen we kill and we're killed again And when the night falls, I pray for peace Try to remember peace (visualize)

I join the multitudes
I raise my hand in peace
I never bow to the laws of the thought police
I take a holy vow
To never kill again
To never kill again

I'm living with war in my heart I'm living with war in my heart in my mind I'm living with war right now

Don't take no tidal wave Don't take no mass grave Don't take no smokin' gun To show how the west was won But when the curtain falls, I pray for peace Try to remember peace (visualize)

In the crowded streets
In the big hotels
In the mosques and the doors of the old museum
I take a holy vow
To never kill again
Try to remember peace

The rocket's red glare Bombs bursting in air Give proof through the night, That our flag is still there

I'm living with war everyday
I'm living with war in my heart everyday
I'm living with wat right now
