

# Neil Young & Crazy Horse, Love Is A Rose

Love is a rose but you better not pick it  
only grows when it's on the vine  
handful a thorns and you know you've missed it  
lose your love when you say the word mine

I want to see whats never been seen,  
I want to live an angels dream  
boys and girls lets get together  
and do the best right now

I want to go to a old hoe-down  
long ago in a western town  
pick me up, my feet are draggin'  
give me a lft and I'll hay your wagon

Love is a rose but you better not pick it  
only grows when it's on the vine  
handful a thorns and you know you've missed it,  
lose your love when you say the word mine

I want to see whats never been seen  
I want to live and angels dream  
boys and girls lets get together  
and do the best right now.  
And do the best right now.
