

# Neil Young & Crazy Horse, Make Love To You

I was lonesome as I could be  
And a bad kind of tired 'til I saw you look at me  
Where there's smoke there's fire  
All of my troubles disappeared when I watched you move  
Girl, your body said everything  
And I know you knew  
I wanna make love to you, make you feel all right  
I wanna make love to you, yes, it'll take all night  
In a smoke-filled bar in a Southern town  
I met somebody special  
I wish I could stick around  
I don't mind so much. Do you, baby?  
'Cause the time we had was such a rush  
And you're such a lady  
I wanna make love to you, make you feel all right  
I wanna make love to you, yes, it'll take all night  
Girl when you looked my way, I knew this night was ours  
It doesn't matter, I'll be gone with the dawn  
So will you  
We choose who we choose when we choose  
Nobody can take away the time we've had  
Each moment extra long  
It's quite a memory to have  
Don't you forget with the dawnin' I'll be gone  
And how we got together anyway  
Well, that's another song  
I wanna make love to you, make you feel all right  
I wanna make love to you, yes, it'll take all night  
I wanna make love to you, make you feel all right  
I wanna make love to you, yes, it'll take all night.
