

Neil Young & Crazy Horse, Music Arcade

Have you ever been lost?
Have you ever been found out?
Have you ever felt all alone
At the end of the day?
Yeah I'm talkin' bout gettin' down
Take it easy - there's no one around
Just a mirror and you and me
And the TV screen

I was walkin down main street
Not the sidewalk but main street
Dodgin' traffic with flyin' feet
That's how good I felt
Took a spin in the laundromat
Played a game in the music arcade
Kept winnin' while the band played
That's how good I felt

Have you ever been lost?
Have you ever been found out?
Have you ever felt all alone
At the end of the day?
Yeah I'm talkin' bout gettin' down
Take it easy - there's no one around
Just a mirror and you and me
And the TV sky

Have you ever been singled out
By a hungry man
You're listening to the radio
He's washin' your window
When you look in those vacant eyes
How does it harmonize
With the things that you do?
That's how good I felt

Have you ever been lost?
Have you ever been found out?
Have you ever felt all alone
At the end of the day?
Yeah I'm talkin' bout gettin' down
Take it easy - there's no one around
Just a mirror and you and me
And the TV screen

There's a comet in the sky tonight
Makes me feel like I'm alright
I'm movin' pretty fast
For my size
I really didn' mean to stay
As long as I have
So I'll be movin' on
