

# Neil Young & Crazy Horse, Piece Of Crap

Tried to save the trees  
Bought a plastic bag  
The bottom fell out  
It was a piece of crap

Saw it on the tube  
Bought it on the phone  
Now you're home alone  
It's a piece of crap

I tried to plug in it  
I tried to turn it on  
When I got it home  
It was a piece of crap

Got it from a friend  
On him you can depend  
I found out in the end  
It was a piece of crap

I'm trying to save the trees  
I saw it on TV  
They cut the forest down  
To build a piece of crap

I went back to the store  
They gave me four more  
The guy told me at the door  
It's a piece of crap
