

# Neil Young & Crazy Horse, There's A World

There's a world you're living in  
No one else has your part  
All God's children in the wind  
Take it in and blow hard.

Look around it, have you found it  
Walking down the avenue?  
See what it brings, could be good things  
In the air for you.

We are leaving. We are gone.  
Come with us to all alone.  
Never worry. Never moan.  
We will leave you all alone.

In the mountains, in the cities,  
You can see the dream.  
Look around you. Has it found you?  
Is it what it seems?

There's a world you're living in  
No one else has your part  
All God's children in the wind  
Take it in and blow hard.
