

Neil Young & Crazy Horse, We Never Danced

Between heaven and earth
There's a ballroom floor
Where the couples glide
In the evermore.

Floating through the clouds
Dancing in the rain
Eyes that see no lies
Hearts that feel no pain.

Hope it's not too late
We were more than friends
I can hardly wait
'Til we meet again.

If you don't really know
Where you want to go
It makes no difference
Which road you take.

Hope it's not too late
We were more than friends
I can hardly wait
'Til we meet again.

We never danced
We never danced
We never danced
the night away.

We never danced
We never danced
We never danced
the night away.
