## Neil Young & Crazy Horse, Weight Of The World

I used to carry the weight of the world On my back I never trusted my friends or my girl Can you imagine that I used to shuffle my feet When I walked I hung my head down low Kept to myself all my private thoughts But when I met you girl.

I dropped the weight of the world Weight of the world I dropped the weight of the world Weight of the world.

I knew some people used to dance all night But not me I never knew if it was wrong or right To be so free I used to close my eyes And try to hide from the light of love Spent all my time with the darkness inside But when I met you girl.

I dropped the weight of the world Weight of the world I dropped the weight of the world Weight of the world.

I was alone for all of my life
Until you came my way
I dropped the weight of the world
Weight of the world
I dropped the weight of the world
Weight of the world.
