

Neil Young, For What It's Worth

There's somethin' happenin' here
A-what it is ain't exactly clear
There's a man with a gun over there
A-tellin' me I've got to beware

I think it's time we stop
Children, what's that sound?
Everybody look what's goin' down

There's battle lines bein' drawn
A-nobody's right if everybody's wrong
Young people speakin' their minds
A-gettin' so much resistance from behind

It's time we stop
Hey, what's that sound?
Everybody look what's goin' down

What a field day for the heat
A thousand people in the street
Singin' songs and a-carryin' signs
Mostly say hooray for our side

It's time we stop
Hey, what's that sound?
Everybody look what's goin' down

Paranoia strikes deep
Into your life it will creep
It starts when you're always afraid
Step out of line, the man come and take you away

You better stop
Hey, what's that sound?
Everybody look what's goin' down

You better stop
Hey, what's that sound?
Everybody look what's goin' down

You better stop
Now, what's that sound?
Everybody look what's goin' down

You better stop
Children, what's that sound?
Everybody look what's goin'...
