Neil Young, For What It's Worth

There's somethin' happenin' here A-what it is ain't exactly clear There's a man with a gun over there A-tellin' me I've got to beware

I think it's time we stop Children, what's that sound? Everybody look what's goin' down

There's battle lines bein' drawn A-nobody's right if everybody's wrong Young people speakin' their minds A-gettin' so much resistance from behind

It's time we stop Hey, what's that sound? Everybody look what's goin' down

What a field day for the heat A thousand people in the street Singin' songs and a-carryin' signs Mostly say hooray for our side

It's time we stop Hey, what's that sound? Everybody look what's goin' down

Paranoia strikes deep Into your life it will creep It starts when you're always afraid Step out of line, the man come and take you away

You better stop Hey, what's that sound? Everybody look what's goin' down

You better stop Hey, what's that sound? Everybody look what's goin' down

You better stop Now, what's that sound? Everybody look what's goin' down

You better stop Children, what's that sound? Everybody look what's goin'...
