

Neil Young, Hold On To Your Love

Hold on to your love
Hold on to your love
Though you may feel
tired and blue.

The things you say,
The things you dream
you might do,
Come true if you
Hold on to your love.

How long the day?
How dark the night
spent apart?
Is this the way to learn?
Go your own way
Although you may
break a heart
Don't let it start
Hold on to your love.

Hold on to your love.
Hold on to your love.

The things you say,
The things you dream
you might do,
If only you
hold on to your love.
Hold on to your love.
