

Neil Young, I've Been Waiting For You

I've been looking
for a woman
to save my life
Not to beg or to borrow
A woman with
the feeling of
losing once or twice
Who knows how
could it be tomorrow?

I've been waiting for you
And you've been coming to me
For such a long time now
Such a long time now.

I've been waiting for you
And you've been coming to me
For such a long time now
Such a long time now.
