

# Neil Young, Motor City

My old car keeps breaking down  
My new car ain't from Japan  
There's already too many Datsuns  
In this town.

Another thing that's bugging me  
Is this commercial on TV  
Says that Detroit  
can't make good cars any more.  
Motor City.

Who's driving my car?  
Who's driving my car now?  
Who?

My army jeep is still alive  
Got locking hubs and four wheel drive  
Ain't got no radio,  
ain't got no mag wheels  
Ain't got no digital clock  
Ain't got no clock.

The paint job is lookin' blue  
The white walls are missing too  
But I guess until I get my car back  
This will do.

Who's driving my car now?  
Who's driving my car now?  
Who?

Who's driving my car now?
