Neil Young, Motor City

My old car keeps breaking down My new car ain't from Japan There's already too many Datsuns In this town.

Another thing that's bugging me Is this commercial on TV Says that Detroit can't make good cars any more. Motor City.

Who's driving my car? Who's driving my car now? Who?

My army jeep is still alive Got locking hubs and four wheel drive Ain't got no radio, ain't got no mag wheels Ain't got no digital clock Ain't got no clock.

The paint job is lookin' blue The white walls are missing too But I guess until I get my car back This will do.

Who's driving my car now? Who's driving my car now? Who?

Who's driving my car now?
