

# Neil Young, This Old House

Midnight, that old clock  
keeps ticking,  
The kids are all asleep  
and I'm walking the floor.  
Darlin' I can see  
that you're dreaming,  
And I don't wanna wake you up  
When I close the door.

This old house of ours  
is built on dreams  
And a businessman don't know  
what that means.  
There's a garden outside  
she works in every day  
And tomorrow morning  
a man from the bank's  
Gonna come and take it all away.

Lately, I've been thinking  
'bout daddy,  
And how he always  
made things work,  
when the chips were down,  
And I know  
I've got something inside me  
There's always a light  
there to guide me  
To what can't be found.

This old house of ours  
is built on dreams  
And a businessman don't know  
what that means.  
There's a swing outside  
the kids play on every day  
And tomorrow morning  
a man from the bank's  
Gonna come and take it all away.

Take it all away,  
take it all away,  
take it all away.  
Take it all away,  
take it all away,  
take it all away.

Remember how we first came  
here together?  
Standing on an empty lot,  
holding hands.  
Later, we came back  
in the moonlight  
And made love  
right where the kitchen is,  
Then we made our plans.

This old house of ours  
is built on dreams  
And a businessman don't know  
what that means.  
There's a garden outside  
she works in every day  
And tomorrow morning

a man from the bank's  
Gonna come and take it all away.

Take it all away,  
take it all away,  
take it all away.  
Take it all away,  
take it all away,  
take it all away.
