

# Neil Young, We Never Danced

Between heaven and earth  
There's a ballroom floor  
Where the couples glide  
In the evermore.

Floating through the clouds  
Dancing in the rain  
Eyes that see no lies  
Hearts that feel no pain.

Hope it's not too late  
We were more than friends  
I can hardly wait  
'Til we meet again.

If you don't really know  
Where you want to go  
It makes no difference  
Which road you take.

Hope it's not too late  
We were more than friends  
I can hardly wait  
'Til we meet again.

We never danced  
We never danced  
We never danced  
the night away.

We never danced  
We never danced  
We never danced  
the night away.
