

# Neko Case, Alone And Forsaken

We met in the springtime  
When blossoms unfold  
The pastures were green and  
Meadows were gold

Our love was in flower as summer grew on  
A love like the leaves has withered and gone  
The roses have faded  
There's frost at my door  
The birds in the morning don't sing anymore

The grass in the valley has started to die  
Out in the darkness the whippets will cry

Alone and forsaken  
Oh lord if you hear me then hold to my hand  
Oh please understand

Where has she gone to, oh where can she be  
She may have forsaken some other like me  
She promised to honor, to love and obey  
Each vow was a plaything that she threw away

The darkness is falling  
The sky has turned gray  
A hound in the distance is starting to bay

I wonder, I wonder what she's thinking of  
Forsaken, forgotten without any love

Alone and forsaken  
By Fate and by man  
Oh lord if you hear me then hold to my hand  
Oh please understand  
Oh please understand
