

Neko Case, Don't Forget Me

In the wintertime keep your feet warm
But keep your clothes on and don't forget me
Keep your memories
But keep your powder dry too
In the summer by the poolside
While the fireflies are all around you
I'll miss you when I'm lonely
I'll miss the alimony too
Don't forget me, don't forget me
Make it easy, only just for a little while
You know I think about you
Let me know you think about me too
And when we're older and full of cancer
It doesn't matter now, come on get happy
'Cause nothing lasts forever
But I will always love you
Don't forget me, please don't forget me
Make it easy, only just for a little while
You know I think about you
Let me know you think about me too
