

# Neko Case, Stinging Velvet

Rain falls, I fix my eyes  
Let go of the focus and I blur out all the lines  
Just to remember, remember

Crying 'cause it's not my fault  
Water through my lashes look just like Christmas lights  
And I still remember, remember

Cold and shivering  
Cold and shivering  
Cold and shivering warm

Sing please, rock me to sleep  
Quiet as a canyon up under heaven's eaves  
I surrender, surrender

Downstairs the furnace swells  
Safe from all the horrors in your stinging velvet arms  
And I surrender, surrender

Cold and shivering  
Cold and shivering  
Cold and shivering warm
