

Neko Case, Stinging Velvet

Rain falls, I fix my eyes
Let go of the focus and I blur out all the lines
Just to remember, remember

Crying 'cause it's not my fault
Water through my lashes look just like Christmas lights
And I still remember, remember

Cold and shivering
Cold and shivering
Cold and shivering warm

Sing please, rock me to sleep
Quiet as a canyon up under heaven's eaves
I surrender, surrender

Downstairs the furnace swells
Safe from all the horrors in your stinging velvet arms
And I surrender, surrender

Cold and shivering
Cold and shivering
Cold and shivering warm
