In a room so hot, the silence  
only broken by the purr  
of a contented pussycat  
the door is shut, no-one sees how  
a cyber predator  
seduce her on the online chat

aaahhh kitty kitty kitty kitty kitty so cute

Beware of Hound  
The big bad Hound

Beware the... Danger that prowls out there on cyber space  
A Shangri-La for vicious hounds the perfect lurking place  
One huge manger of willing prey that bites the bait  
He'll eat your little pussycat  
Quit playing with your kitty

Beware of Hound  
The big bad Hound

Beware (of) the temptation when he sniffs a bitch in heat  
the hunger and the urge caused by the scent of fresh new meat  
blood circulation increased by the prospect of a feast  
He'll eat your little pussycat  
Quit playing with your kitty

Beware of Hound  
The big bad Hound

Beware of Hound, don't get fooled by a wiggly tail  
cute sweet talk and compliments in a flirty email  
Beware of Hound, Beware The big bad Hound  
He'll eat your little pussycat  
Quit playing with your kitty
