

Nekromantix, Haunted Cathouse

The stripper mummy's death dance
Causes shiver and earthquake's
Out of the tomb comes sexy zombies
Dead corpses awakes
The restless headless horseman
Is looking for his hat
A guana smelling witch is
Eating coffinails with a bat
Upstairs the frenzy she-devils
Tempt with wild mad sin you know
I recommend iternal torment
Demended bondage are go

chorus:

Back in that old Haunted Cathouse
Where everybody used to go
All pleasures were for free
Back in that old Haunted Cathouse
If only i could turn back time
Well that's where i would be

Bloody Mary and King Kong
Is kissing while lost soul's cry
Hand in hand watching meteors
And stars on the midnight sky

A ghastly krew of wicked men
Arrives in the BatMoblie
Klingon's drunk flying
Their UFO.. uuuh what a thrill
