

# Nekromantix, Struck By A Wrecking Ball

Beer number 1  
Off to the show tonight  
I'm hanging out with the zombie crew  
I'm armed with cash  
And my fake I.D.  
Standing in line  
Bugged by beer number 2  
After beer number 3  
All girls looks so hot  
Try to make out with some chicks  
In the parking lot  
Beer number 4, 5, 6, and 7  
Now I'm wasted  
Feels like I'm gone to heaven  
Wrecked out of hell  
Me and the devil gives a fuck  
Bloody knees  
And broken elbows  
That's when I know that I'm  
struck... by a wreckin' ball

Beer number 8, my favorite band is on  
I bought a t-shirt  
I want them to sign  
Diving into the pit  
On the dance floor  
While im finishing beer number 9  
After Beer number 10 now it's time to go  
My friend says:  
&quot;Don't take the car&quot;  
I say: &quot;Whatever bro&quot;  
11 and 12  
Of course I can drive  
Beer 13  
Was the last thing I did alive

Wrecked out of hell  
Me and the devil gives a fuck  
Bloody knees  
And broken neck  
That's when I know that I'm  
Struck... by a wreckin' ball
