

Nektar, Crying In The Dark

Ive been tryin
tryin so hard.
Ive been cryin
cryin in the dark

Dont forsake me
the time of man is near.
Dont ever break me,
and the World that brought me here.

Sick and lonely
waitin for you
Sick and lonely
Wondering what to do

Can you hear me?
When I say to you,
You give me your hand
Ill give mine to you.
